

Herzing University Hybrid ASN Program

Our
Partners

Is your goal to become a Registered Nurse? Join the **hybrid Associate of Science in Nursing (ASN) Program*** offered through Herzing University.

NEW HYBRID ASN program at Herzing!

- ★ Earn your ASN in as few as 2 years
- ★ Open to non-nurses seeking a pre-licensure program to qualify for the NCLEX-RN and become a Registered Nurse (RN).
- ★ Hybrid ASN Bridge Option available for CVTs, RTs, LPNs, Military Medics, or Paramedics seeking to become RNs.
- ★ Ideal for individuals interested in online learning or who are located too far from campus to attend an in-person program.
- ★ All didactic coursework is completed online with 24/7 access.
- ★ Clinical rotations will be hosted at partner facilities.
- ★ Science and general education courses start every two months, and core nursing courses start in January, May, and September!

Herzing is offering a scholarship for the inaugural cohort of individuals starting nursing core in September 2024. Prerequisite science courses can be done through Herzing University but must be completed prior to starting the core nursing courses (offered in July 2024).

Limited seats are available for this inaugural cohort program and enrollment has already begun, so do not wait to register!

Program Highlights

- All didactic coursework is completed online with 24/7 access
- All clinical experiences will be performed at partner locations within a reasonable distance
- Two in-person intensive sessions, 2-4 days each, to strengthen and confirm skills
 - Held at Herzing's Nashville, TN campus
- 3 milestone tests to ensure students are progressing to standards
- Dedicated support system from enrollment through graduation
- Adaptive learning platform providing a personalized student experience
- Financial aid available for those who qualify

Exceptional Student Support

Enrollment Support

- Admissions advisor to guide you through the steps and requirements for entering the program
- Financial aid advisor providing direction on funding sources and document completion

Programmatic Resources

- Direct communication and support from conveniently accessible instructors and Herzing ASN program chair
- Consistent academic support from your student services specialist throughout your entire time as a student
- Clinical coordinator to help you prepare for your clinical experience

Learning Resources

- Online tutoring and library resources available
- 24/7 technical support
- Counseling and mental health wellness support

*Not approved for enrollment in all states.

HERZING
UNIVERSITY

**SCHOOL of
NURSING**

Hybrid ASN Program Admissions Criteria

- High school diploma/GED or equivalent and/or official transcripts from previous college institutions
- Criminal background & drug check
- Achieve a minimum composite score of 66 on the most current version of the Test of Essential Academic Skills (TEAS) test and a college grade point average (GPA) of 2.5 or higher
 - TEAS score must be from within three years of anticipated date of enrollment

Additional Admissions Criteria for the Hybrid ASN Bridge Option

- Completion of a CVT, RT, LPN, Military Medic, or Paramedic program
- An active, unrestricted license to practice as a CVT, RT, LPN, Military Medic, or Paramedic

Hybrid ASN Program Content

Herzing University's hybrid ASN Program focuses on patient-centered care, teamwork and collaboration, evidence-based practice, safety, quality improvement and informatics.

This option emphasizes on the use of innovative technologies and preparation for assuming leadership roles.

A minimum of 72 semester credit hours is required for graduation.

For the Bridge Option: CVT, RT, LPN, Military Medic, or Paramedics will transfer in 13 credits toward your ASN!!
Your transcripts can be evaluated for additional possible transfer credits.
