**Ever Upward Spotlight**

The Casey Frankoski '24 Ever Upward Scholarship Fund at Excelsior University has reached a significant milestone, surpassing \$10,000 in donations. This scholarship was created to honor the memory of Casey Frankoski, a dedicated National Guard service member and Excelsior student who tragically lost her life in the line of duty. Casey was pursuing her degree in Homeland Security and Emergency Management and was posthumously awarded her diploma.

The scholarship fund ensures her legacy lives on by providing financial support to military and veteran students helping them achieve their educational goals.
