

Bachelor of Science in

HEALTH CARE ADMINISTRATION

Come Back and Move Forward as a Health Care Administrator

This is your moment. As the world of health care rapidly evolves, the industry needs professionals with the knowledge and skills to succeed in supervisory positions. Meet the demand for health care management and administration with a bachelor's degree that reflects the latest industry innovations and delivers real-world experience. Develop the administrative, ethical, and leadership skills to build the thriving career you deserve.

You and your immediate family members are eligible for a 20% tuition reduction on undergraduate programs. Visit ISTS.PurdueGlobal.edu to learn more and get started today.

Why Study at Purdue Global's School of Health Sciences?

Built for Working Adults

Complete courses online, without compromising your work or family schedule.

Backed by the Power of Purdue

Earn a degree you can be proud of — and employers will respect. Achieve more in the health care field with a name that opens doors in your career.

Accelerated Degree Options

Get ahead faster with our ExcelTrack® program, which allows you to speed past the subjects you already know and focus on the topics you still need to learn.¹ You can work at your own pace and take as many classes as you want for one flat fee.

Experience Counts as Credit

Transfer up to 75% of your degree requirements to graduate sooner. You can use prior academic, work, and military experience for credit.²

Practical Experience You Can Count On

Complete an optional internship to gain real-world experience and acquire additional knowledge, skills, and abilities specific to your chosen path.³

Bachelor's-to-Master's Opportunities

Complete up to five graduate-level courses as part of your bachelor's program and get a head start on your Purdue Global health sciences master's degree.⁴

Expert Faculty

Learn from health care and education experts who are practicing professionals in the field. All Health Sciences faculty possess advanced academic degrees.

Personal Support

Work directly with faculty through online discussion boards and seminars, and enjoy no-cost individual tutoring. In addition, academic and career advisors are dedicated to helping you balance school with your career and life responsibilities.

Introductory Trial Period

Make sure online learning at Purdue Global is right for you. Enroll in the University and try our classes for 3 weeks — before you owe any tuition. That's the Purdue Global Commitment.⁵

Nationally Ranked and Respected

One of the most prestigious research universities in the world, Purdue ranked #16 overall and #1 in education among Fast Company magazine's prestigious **World's Most Innovative Companies**.⁶

Curriculum

Our comprehensive curriculum is designed to provide you with a solid foundation in the core disciplines of health care administration and management. The courses are reviewed and revised regularly by industry experts to ensure they reflect the most recent developments in the field.

Courses Include:

- Leadership and Ethics in Health Care
- Health Care Policy and Economics
- Information Systems for Health Care
- Operational Analysis and Quality Improvement
- Organization and Management for Health Care
- Finance for Health Care
- Strategic Planning and Change Management for Health Care

Capstone Project

The program culminates in the successful completion of a capstone project, in which you can demonstrate your ability to apply the concepts and skills you study online to real-world scenarios.

Program Outcomes

- **Knowledge Base:** Demonstrate a sound foundational knowledge and understanding of principles and practice in health care regarding administration, management, law, economics, and policy.
- **Research Methods and Critical Thinking Skills:** Demonstrate competency in industry-specific knowledge and skills related to research methods, critical thinking, and problem solving in health care settings.
- **Interdisciplinary Integration:** Apply principles of management needed to work in teams, build cross-functional teams, and facilitate collaborative decision-making.
- **Operations:** Apply best practices in decision-making within the functional areas of health care management.
- **Health Care Administration:** Demonstrate an understanding of the forces impacting health delivery systems and the effective and efficient management of health care.
- **Ethics and Professionalism:** Analyze the professional, ethical, and legal standards of health care administrative practice.

ExcelTrack®: a Faster and More Affordable Way to Earn Your Degree

In addition to our standard online program, we offer ExcelTrack®, which is a personalized, competency-based option that gives you more control over how you learn. Each ExcelTrack® online course is a single credit, covering a particular skill or piece of knowledge, allowing you to bypass any subjects you already know.¹ This option enables students who have at least 3 years of work experience and 3 prior college courses to earn their bachelor's degree sooner, at a lower cost.

Program Outcomes

Credit Hours:

Core: 45
Major: 60
Electives: 75

Total: 180

Program Length:

- **Standard online program:** 2–4 years (With transfer credit and other prior experience, the average completion time for Purdue Global bachelor's degree graduates in 2021-2022 was 2 years.)⁸
- **ExcelTrack®:** Self-paced to help you graduate sooner

Course Load:

- **Standard online program:** 2 courses per term
- **ExcelTrack®:** As many as you can complete with a "B" or higher on your final assessment

Terms: 10 weeks long

Start Dates: Throughout the year

Delivery: 100% online, with optional internship

- 1 ExcelTrack® is designed to advance your progress based on existing knowledge; however, degree pace and time and cost savings will vary by individual. Students must enroll in a minimum number of credits per term to remain eligible for financial aid. Refer to the Financial Information section of the University Catalog for additional information. Programs may include standard online courses; however, tuition is charged at the ExcelTrack® rate.
- 2 Purdue Global does not guarantee transferability of credit. Future transfer credit savings are subject to review and the academic policies of Purdue Global. See the University Catalog for Prior Learning Assessment policy.
- 3 The student is responsible for identifying and obtaining approval for an appropriate internship in his or her location.
- 4 The University cannot guarantee that students will be granted admission to any future programs. Speak to an Advisor about admissions requirements and transfer credit opportunities and see the University Catalog for the Prior Learning Assessment policy.
- 5 Classes count toward a degree if satisfactorily completed. No credits are earned if the student withdraws during the introductory period (3 weeks for new qualifying undergraduate students), which begins day one of the first term. Students who choose to continue their studies at Purdue Global will need to meet specific requirements. Graduate programs not included. Additional terms may apply to international and non-U.S. citizen students. For further information, see the University Catalog.
