

Upcoming Term Start Dates:**FALL I August 31st****FALL II October 26th****Excelsior Spotlight: DBA****Is a DBA Worth it?**

A Doctor of Business Administration (DBA) can be a valuable next step for experienced professionals looking to strengthen their leadership, decision-making, and problem-solving skills. Designed for working leaders, a DBA combines applied research with real-world business practice, helping professionals tackle complex challenges and drive meaningful impact within their organizations. The degree can help build the expertise and strategic perspective needed to grow as a leader and make a lasting contribution to your field.
